

Junior Friends of Pinery

Help keep Pinery "A Special Place"

Junior Friends are children, ages 6-12, who want to take part in helping keep Pinery "A Special Place".

To become a Junior Friend, you must complete all tasks for Level 1 on the List of Duties.

Once you have completed all the tasks, fill out the information on this form and bring it to the Visitor Centre. A Naturalist will present you with a certificate and prizes.

There are five levels of the Junior Friends Program, each with different tasks and rewards. You can continue your good work as a Junior Friend until you have completed all five levels. The tasks for each level are listed on this form.

Please note: Only one level can be completed each year.
